- New Digital Remote Fluoroscopy and Radiography Unit
- Senior Fitness Program "Young at Heart"
- Additional Physicians and Services Added in San Joaquin County

Sutter Gould Medical Foundation

A Sutter Health Affiliate

With You. For Life.

600 Coffee Road
Modesto, CA 95355
(209) 524-1211

www.suttergould.org

- Develop a new medical office building to replace the main clinic at 600 Coffee Road.
- Develop new campus in Stockton, including ambulatory services, an imaging center and medical offices.

Sampling of Community Partnerships/Programs ~

In 2006, Sutter Gould Medical Foundation provided \$9 million in support of charity care and various community programs and services such as:

- **Maino Community Health Library**—a community resource providing access to a wealth of health information at no charge.
- **Health Education Classes**—a series of education classes covering a variety of health topics including diabetes, cardiac and nutrition counseling.
- **Stanislaus Partners in Education**—Students from area schools gain valuable work experience by working closely with staff at Sutter Gould Medical Foundation.
- **Community Cash Contributions**—donations provided in support of various health-related events by other community organizations, including the American Cancer Society, the American Heart Association, the Arthritis Foundation, March of Dimes and the American Diabetes Association.
- **Health Faire Activities**—Sutter Gould holds an annual Asthma Education Faire, providing free information regarding treatment and patient care.

Guiding Us in Our Mission ~

Sutter Gould Medical Foundation is locally governed by a volunteer board of trustees that lends expertise, knowledge and commitment to guide the organization toward its mission.

Advancing Patient Safety ~

Sutter Gould Medical Foundation and our Sutter Health network are raising the bar on patient safety. We are the first network on the West Coast to use early warning software as well as advanced video and electronic monitoring to allow physician specialists to keep an even closer eye on critically ill patients 24 hours a day, seven days a week. We continue to be a pioneer in using bar-coding and expert databases to track medication orders to help prevent errors. To further improve clinical outcomes, enhance patient safety and reduce the cost of high-quality care, Sutter Health also is investing \$450 million to deploy an electronic health record (EHR) system as well as \$1.2 billion in a broad range of patient safety initiatives over the next 10 years.

About Sutter Health ~

Sutter Gould Medical Foundation is part of the Sutter Health family of not-for-profit hospitals, physician organizations and other medical services that share resources and expertise to advance health care quality. Serving more than 100 communities in Northern California, Sutter Health is a regional leader in cardiac care, cancer treatment, orthopedics, obstetrics, and newborn intensive care, and is a pioneer in advanced patient safety technology.
