Sampling of Community Partnerships/Programs ~

In 2006, Sutter Medical Foundation provided \$14.8 million in support of charity care and various community programs and services such as the SPIRIT Project. The SPIRIT Project, which stands for Sacramento Physicians' Initiative to Reach Out, Innovate and Teach, was initiated in 1995 as a way to recruit physicians and nurses to volunteer in county and community clinics to enhance primary care medical services available to Sacramento's uninsured. The SPIRIT Project also offers a specialty service network comprised of office referrals to participating SPIRIT physicians and specialty "sub clinics" located within existing county clinics. All SPIRIT medical services are completely free of charge to the patient.

Improving Facilities and Access ~

The Sutter Health network of physicians and not-for-profit hospitals will invest billions of dollars over ten years to rebuild, replace and expand much of Northern California's health care infrastructure. Locally, plans (or completed projects) include:

- Develop ambulatory surgery center and medical office building on Sutter Medical Center, Sacramento Midtown campus.
- Upgrade outpatient diagnostic equipment in Sacramento, Davis, Roseville and Auburn.

Building the Workforce ~

Sutter Health Sacramento Sierra Region has committed more than \$15 million over the next several years to programs at local colleges that will help train and potentially add hundreds of nurses and other health professionals to the Sacramento region's health care job market.

Highlights of New Programs/Services/Facilities ~

Sutter Express Care Clinics in Rite Aid stores • New Imaging Center in Yolo County • New medical office buildings in Elk Grove and Davis • Expanded Diabetes Program • Sutter Downtown Integrative Health Care • Davis Care Center • Extended Clinic Hours serving all locations • Integrated Health and Healing Program • Drop-In Group Medical Appointments • Sutter Woodland Health Center • Hospitalist Programs at Sutter General Hospital, Sutter Roseville Medical Center and Sutter Auburn Faith Hospital • Healthy Weight Management (Yolo County) • Practice Design Research through Sutter Institute for Medical Research • EpicWeb, Web-based product of the electronic medical record (EMR) • Sutter Snoring and Obstructive Sleep Disorders Centers • Cosmetic Dermatology Services, both elective and medically necessary • Outpatient Anticoagulation Program (pilot)

Advancing Patient Safety ~

Sutter Medical Foundation and our Sutter Health network are raising the bar on patient safety. We are the first network on the West Coast to use early warning software as well as advanced video and electronic monitoring to allow physician specialists to keep an even closer eye on critically ill patients 24 hours a day, seven days a week. We continue to be a pioneer in using bar-coding and expert databases to track medication orders to help prevent errors. To further improve clinical outcomes, enhance patient safety and reduce the cost of high-quality care, Sutter Health also is investing \$450 million to deploy an electronic health record (EHR) system as well as \$1.2 billion in a broad range of patient safety initiatives over the next 10 years.

Guiding Us in Our Mission ~

The mission at Sutter Medical Foundation is to serve patients' needs with compassion and excellence. Sutter Medical Foundation is locally governed by a volunteer board of directors that lends expertise, knowledge and commitment to guide the organization toward its mission.

Sutter Health Sacramento Sierra Region Board of Directors ~

Mary Powers Antoine • William Au, MD • John Barnsdale, MD • Ed Bonner • Mike Dourgarian • Patrick Fry • Daniel Kenendy, MD • Dick Kramer • Sarah Krevans • David Lucchetti • Pam Marrone • Mike Newell • Felicenne Ramey • Joan Smith-Maclean, MD • Scott Syphax

About Sutter Health ~

Sutter Medical Foundation is part of the Sutter Health family of not-for-profit hospitals, physician organizations and other medical services that share resources and expertise to advance health care quality. Serving more than 100 communities in Northern California, Sutter Health is a regional leader in cardiac care, cancer treatment, orthopedics, obstetrics, and newborn intensive care, and is a pioneer in advanced patient safety technology.
